

September 28, 2018

Mr. Thomas B. Ramsey, P.E.
Associate
Geosyntec Consultants
10211 Wincopin Circle, 4th Floor
Columbia, Maryland 21044

Dear Mr. Ramsey:

I am writing to you today to issue a new Work Order under your Contract #18-16(b) with the Northeast Maryland Waste Disposal Authority. The contract is hereby incorporated by reference.

We have received your revised proposal dated July 16, 2018, regarding the “Less Waste, Better Lives” Developing Baltimore City’s Recycling and Solid Waste Management Master Plan for 2040 (Master Plan) and beyond (attached). The work scope amount is \$460,512 and includes completion of the two season waste sort. The total of this effort will not exceed \$460,512 unless amended in writing by the Authority. This work order is effective immediately.

Please use Work Order No. 101-II-W when billing the Authority for this work. Each invoice is to be accompanied by a description of work. I will be your contact person with the Authority on this project. Please call if you have any questions.

Sincerely,

Chris Skaggs
Executive Director
